13th August, 2024

MESSAGE

On the auspicious occasion of 78th Independence Day, I extend my warm greetings and best wishes to all the citizens of Tripura. The Indian National Flag represents the hopes and aspirations of the people of India.

It is the symbol of our national pride. Over the decades, several people including members of armed forces have laid down their lives to keep the tri-color flying in its full glory.

After a long struggle against British Colonial Rules and sacrifice of our freedom fighters, we got freedom on 15th August, 1947. We have to revive those feelings so that we all can fight together with today's ill elements.

Further I greet the members of our valiant armed forces who guard our country's land, borders, air space and seas, thereby securing the security of our country.

On this occasion, I would like to remind few issues like let us make this state drug-free, stop child marriages, completely eliminate the single use of plastic. We need to conserve for our future generation. We have to show the change in the coming days. All of us have to come forward for that.

Once again, I convey my best wishes on this auspicious occasion to all the people of the State and conclude my speech here.

Dhanyabad, Hambai

Thank you all. Jai Hind.
