Press Release

Shri Biplab Kumar Deb, Hon'ble Chief Minister Tripura met Hon'ble Union Minister for Urban Development at his residence 6, Talkatora Road and discussed various issues relating to urban development in Tripura. The matter relating to construction of Effluent Treatment Plant at Akhaura was discussed in detail and it was decided that NBCC would submit the revised proposal to MoUD within next one week for further necessary action. Hon'ble Union Minister also agreed to consider proposals for development of new townships in PPP mode. The matter relating construction/ maintenance of PMGSY roads by NBCC was also discussed and Hon'ble Union Minister assured that suitable instructions have already been issued to NBCC and that the work would be expedited. Earlier in the day, Hon'ble Chief Minister Tripura had visited East Kidwai Nagar Redevelopment Project being implemented by NBCC Ltd. Shri Anoop Mittal, CMD NBCC Ltd welcomed the Hon'ble Chief Minister at the site and explained various aspects of the new upcoming township which caters to commercial as well as residential requirements of Government/ Public Sector. Hon'ble Chief Minister discussed development of similar projects/townships in Tripura with all modern urban infrastructure and facilities. Various other urban development projects were also discussed with the CMD, NBCC.
