- (a) “Affiliate(s)” means an individual or an entity that directly or indirectly controls, is controlled by, or is under common control with the Consultant.
- (b) “Applicable Law” means the laws and any other instruments having the force of law in the Client’s country, or in such other country as may be specified in the **Data Sheet**, as they may be issued and in force from time to time.
- (c) “Client” means the implementing agency that signs the Contract for the Services with the selected Consultant.
- (d) “Consultant” means a legally-established professional consulting firm or an entity that may provide or provides the Services to the Client under the Contract.
- (e) “Contract” means a legally binding written agreement signed between the Client and the Consultant and includes all the attached documents listed in its Clause 1 (the General Conditions of Contract (GCC), the Special Conditions of Contract (SCC), and the Appendices). “Data Sheet” means an integral part of the Instructions to Consultants that used to reflect specific assignment.
- (f) “Day” means a calendar day, unless otherwise specified as “Business Day”. A Business Day is any day that is an official working day of the State Government.
- (g) “Experts” means, collectively, Key Experts, Non- Key Experts, or any other personnel of the Consultant, Sub-consultant or Joint Venture member(s).
- (h) “Government” means the government of the Client’s country.
- (i) “in writing” means communicated in written form (e.g. by mail, e-mail, fax, including, if specified in the Data Sheet, distributed or received through the electronic-procurement system used by the Client) with proof of receipt;
- (j) “Joint Venture (JV)” means an association with or without a legal personality distinct from that of its members, of more than one Consultant where one member has the authority to conduct all business for and on behalf of any and all the members of the JV, and where the members of the JV are jointly and severally liable to the Client for the performance of the Contract.
- (k) “Key Expert(s)” means an individual professional whose skills, qualifications, knowledge and experience are critical to the performance of the Services under the Contract and whose CV is taken into account in the technical evaluation of the Consultant’s proposal.
- (l) “Non-Key Expert(s)” means an individual professional provided by the Consultant or its Sub- consultant and who is assigned to perform the Services or any part thereof under the Contract and whose CVs are not evaluated individually.

- (m) “Proposal” means the Technical Proposal and the Financial Proposal of the Consultant.
- (n) “RFP” means the Request for Proposals to be prepared by the Client for the selection of Consultants, based on the RFP.
- (o) “Services” means the work to be performed by the Consultant pursuant to the Contract.
- (p) “Terms of Reference (TORs)” means the Terms of Reference that explains the objectives, scope of work, activities, and tasks to be performed, respective responsibilities of the Client and the Consultant, and expected results and deliverables of the assignment.
- (q) The Client named in the **Data Sheet** intends to select a Consultant from those listed in the Request for Proposals (RFP), in accordance with the method of selection specified in the **Data Sheet**.
- (r) The shortlisted Consultants are invited to submit a Technical Proposal and a Financial Proposal, or a Technical Proposal only, as specified in the **Data Sheet**, for consulting services required for the assignment named in the **Data Sheet**. The Proposal will be the basis for negotiating and ultimately signing the Contract with the selected Consultant.
- (s) The Consultants should familiarize themselves with the local conditions and take them into account in preparing their Proposals; including attending a pre-proposal conference if one is specified in the **Data Sheet**. Attending any such pre-proposal conference is optional and is at the Consultants’ expense.
- (t) The Client will timely provide, at no cost to the Consultants, the inputs, relevant project data, and reports required for the preparation of the Consultant’s Proposal as specified in the Data Sheet.

2. Conflict of Interest

- (a) The Consultant is required to provide professional, **Interest objective**, and impartial advice, at all times holding the Client’s interests paramount, strictly avoiding conflicts with other assignments or its own corporate interests, and acting without any consideration for future work.
- (b) The Consultant has an obligation to disclose to the Client any situation of actual or potential conflict that impacts its capacity to serve the best interest of its Client. Failure to disclose such situations may lead to the disqualification of the Consultant or the termination of its Contract.
- (c) **Conflict between consulting activities and procurement of goods, works or non-consulting services:** a firm that has been engaged by the Client to provide goods, works, or non-consulting services for a project, or any of its Affiliates, shall be disqualified from providing consulting services resulting from or directly related to those goods, works, or non-consulting services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, or any of its Affiliates, shall be disqualified from subsequently providing goods or works or non-consulting services resulting from or directly related to the consulting services for such preparation or implementation.
- (d) **Conflict among consulting assignments:** a Consultant (includes Experts and Sub-consultants) or any of its Affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant for the same or for another Client.

- (e) **Relationship with the Client's staff:** a Consultant (including its Experts and Sub-consultants) that has a close business or family relationship with a professional staff of the Borrower (or of the Client, or of implementing agency, or of a recipient of a part of the Government's financing) who are directly or indirectly involved in any part of (i) the preparation of the Terms of Reference for the assignment, (ii) the selection process for the Contract, or (iii) the supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Government throughout the selection process and the execution of the Contract.
- (f) Fairness and transparency in the selection process require that the Consultants or their Affiliates competing for a specific assignment do not derive a competitive advantage from having provided consulting services related to the assignment in question. To that end, the Client shall indicate in the **Data Sheet** and make available to all shortlisted Consultants together with this RFP all information that would in that respect give such Consultant any unfair competitive advantage over competing Consultants.

3. **Fraud and Corruptions:**

The compliances of TRLM/ NRLM and Anti-Corruption Guidelines of the Government and its prevailing sanctions policies and procedures as set forth in the government Sanctions Framework. In further pursuance of this policy, Consultants shall permit and shall cause their agents (where declared or not), sub-contractors, sub consultants, service providers, suppliers, and their personnel, to permit the TRLM/ State Government to inspect all accounts, records and other documents relating to any short listing process, Proposal submission, and contract performance (in the case of award), and to have them audited by auditors appointed by the TRLM.

4. **Preparation of Proposals:**

- a. In preparing the Proposal, the Consultant is expected to examine the RFP in detail. Arterial deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.
- b. **Cost of Preparation of Proposal:** The Consultant shall bear all costs associated with the preparation and submission of its Proposal, and the Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. The Client is not bound to accept any proposal, and reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Consultant.
- c. **Language:** The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Consultant and the Client shall be written in the language(s) specified in the **DataSheet**.
- d. **Documents comprising the proposal:** The Proposal shall comprise the documents and **Comprising the forms** listed in the **Data Sheet Proposal**. If specified in the **Data Sheet**, the Consultant shall include a statement of an undertaking of the Consultant to observe, in competing for and executing a contract, the Client country's laws against fraud and corruption (including bribery). The Consultant shall furnish information on commissions, gratuities, and fees, if any, paid or to be paid to agents or any other party relating to this Proposal and, if awarded, Contract execution, as requested in the Financial Proposal submission form.
- e. During this period, the Consultant shall maintain its original Proposal without any change, including the availability of the Key Experts, the proposed rates and the total

price.

f. If the Consultant fails to provide a substitute Key Expert with equal or better qualifications, or if the provided reasons for the replacement or justification are unacceptable to the Client, such Proposal will be rejected by TRLM.

g. The Consultant shall not subcontract the whole of the Services.

5. Clarification and amendment of the RFP: The Consultant may request a clarification of any part of the RFP during the period indicated in the before the Proposals' submission deadline.

6. Technical Proposal format and content:

The Technical Proposal shall be prepared using the Standard Forms provided with the RFP and shall comprise the documents listed in the **Data Sheet**. The Technical Proposal shall not include any financial information. A Technical Proposal containing material financial information shall be declared non-responsive. Consultant shall not propose alternative Key Experts. Only one CV shall be submitted for each Key Expert position. Failure to comply with this requirement will make the Proposal non-responsive.

7. Financial Proposal:

The Financial Proposal shall be prepared using the Standard Forms provided in Section 4 of the RFP. It shall list all costs associated with the assignment, including (a) remuneration for Key Experts and Non-Key Experts, (b) reimbursable expenses indicated in the Data Sheet.

8. Currency: Consultant may express the price for its Services in the INR.

9. Taxes: The Consultant and its Sub-consultants and Experts are responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise in the Data Sheet. Information on taxes in the Client's country is provided in the Data Sheet.

10. Opening of the Proposal:

The evaluation committee of TRLM shall conduct the opening of the Technical Proposals in the presence of the shortlisted Consultants' authorized representatives who choose to attend (in person, or online if this option is offered in the Data Sheet). The opening date, time and the address are stated in the Data Sheet. The envelopes with the Financial Proposal shall remain sealed and shall be securely stored in TRLM until they are opened before the relevant committee.

At the opening of the Technical Proposals the following shall be read out: (i) the name and the country of the Consultant or, in case of a Joint Venture, the name of the Joint Venture, the name of the lead member and the names and the countries of all members; (ii) the presence or absence of a duly sealed envelope with the Financial Proposal; (iii) any modifications to the Proposal submitted prior to proposal submission deadline; and (iv) any other information deemed appropriate or as indicated in the Data Sheet.

11. Proposal Evaluation : The evaluators of the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded and the Government issues its "no objection", if applicable.

The Consultant is not permitted to alter or modify its Proposal in any way after the proposal submission deadline. While evaluating the Proposals, the Client will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals.

12. Evaluation of Technical Proposal: The Client's evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the Data Sheet. Each responsive Proposal will be given a technical score.

13. Evaluation of Financial Proposal: Following the ranking of the Technical Proposals, when the selection is based on quality only (QBS), the top-ranked Consultant is invited to negotiate the Contract. If Financial Proposals were invited together with the Technical Proposals, only the Financial Proposal of the technically top-ranked Consultant is opened by the Client's evaluation committee. All other Financial Proposals are returned unopened after the Contract negotiations are successfully concluded and the Contract is signed.

Section-6

Fraud and Corruption

1. Purpose

1.1 The Anti-Corruption Guidelines and this annex apply with respect to procurement under Government Investment Project Financing operations.

2. Requirements

2.1 The Government requires that Borrowers (including beneficiaries of Government financing); bidders (applicants/proposers), consultants, contractors and suppliers; any sub- contractors, sub-consultants, service providers or suppliers; any agents (whether declared or not); and any of their personnel, observe the highest standard of ethics during the procurement process, selection and contract execution of Government-financed contracts, and refrain from Fraud and Corruption.

2.2 To this end, the Government:

a. Defines, for the purposes of this provision, the terms set forth below as follows:

- i. “corrupt practice” is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
- ii. “fraudulent practice” is any actor omission, including mis-representation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;
- iii. “Collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
- iv. “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- v. “obstructive practice” is: deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Government investigation into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or, acts intended to materially impede the exercise of the Government’s inspection and audit rights provided for under paragraph 2.2e. below.

b. Rejects a proposal for award if the Government determines that the firm or individual recommended for award, any of its personnel, or its agents, or its sub- consultants, sub-contractors, service providers, suppliers and/ or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;

- c. In addition to the legal remedies set out in the relevant Legal Agreement, may take other appropriate actions, including declaring mis procurement, if the Government determines at any time that representatives of the Borrower or of a recipient of any part of the proceeds of the loan engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices during the procurement process, selection and/or execution of the contract in question, without the Borrower having taken timely and appropriate action satisfactory to the government to address such practices when they occur, including by failing to inform the Government in a timely manner at the time they knew of the practices;
- d. Pursuant to the Government's Anti- Corruption Guidelines and in accordance with the Government's prevailing sanctions policies and procedures, may sanction a firm or individual, either indefinitely or for a stated period of time, including by publicly declaring such firm or individual ineligible (i) to be awarded or otherwise benefit from a Government-financed contract, financially or in any other manner; (ii) to be a nominated sub-contractor, consultant, manufacturer or supplier, or service provider of an otherwise eligible firm being awarded a Government-financed contract; and (iii) to receive the proceeds of any loan made by the Government or otherwise to participate further in the preparation or implementation of any Government-financed project;
- e. Requires that a clause be included in bidding/request for proposals documents and in contracts financed by a Government loan, requiring (i) bidders (applicants/proposers), consultants, contractors, and suppliers, and their sub- contractors, sub-consultants, service providers, suppliers, agents personnel, permit the Government to inspect all accounts, records and other documents.

Section-7.

Terms of Reference

Objective of the assignment:

Broiler poultry are the most common and preferred livestock species in Tripura and reared by the weaker section of the total population particularly in the rural and hilly areas. Tribal & non-tribal all sorts of community have now been taken up broiler poultry as a source of income. The majority of growers are doing poultry mainly for meat purposes as a good source of animal origin protein. Broiler poultry rearing occupies an important position in the farming system in Tripura as it is closely interlinked with the other agricultural operation performed by the people for livelihood. The production system in the villages is very common. Feeding of balanced concentrate feed to broiler poultry is popular now days, the concentrates readily available in the market.

However, the size of the poultry farms varies significantly from small farms with just 200 birds to large farms of more than 50,000 birds. Most of the poultry farms are simple open sheds while only a few large poultry integrators have controlled-environment housing with automatic feeding and drinking systems. High capital costs and unreliable powersupplies limit large scale adoption of the controlled environment poultry barn model in Tripura

Broiler poultry in Tripura is becoming a profitable commercial venture particularly for the women of the Self Help Group from small holder farming community. This, however, will require creating awareness and provide technical support for producing quality chicks, improve the production system and marketing system.

Looking the potential of broiler poultry as a livelihood of SHG women of the rural communities of TRLM project area, Tripura Rural Livelihood Mission (TRLM) is planning to develop the broiler poultry value chain in 3 project districts with the following broad objective

To develop 12 broiler poultry production clusters with total 2,000 farmers in 3 project districts of TRLM to increase the poultry production of the SHG women by 30% at the end of 3 years project period. To develop backward and forward linkages through PG & PO at the end of 3 years project period. Thus double the farmers' income of the broiler poultry growers at the end of 3 years.

Scope of Work:

- To Increase broiler poultry production of 2000 small holder poultry farmers in existing farm involving local community to enhance current production practices and increase by production of farmers by minimum 30 percent of present production. This will enhance the income of the broiler poultry farming families by 30 percent of their present income from poultry.
- Build capacity of all livelihood coordinators/ field functionaries of TRLM & CSPs on broiler poultry so that they could effectively support in the Broiler poultry production cluster.
- Build capacity of more than 50 Livestock CRPs on poultry so that they can provide support to farmers on improve broiler poultry production.
- Promote a common brand for inputs (Feeds, chicks etc) produced by the Farmer Producer Companies and ensure proper marketing of the same.
- Promotion and strengthen of 3 Poultry Producer Companies in three project districts to support input and output marketing of poultry producers in the area

- Provide average minimum turnover of 3 Cores, 5 Cores and 10 Cores in 1st, 2nd and 3rd years of the producers companies
- Promote at least 65 broiler poultry producer group at the village level with an average annual turnover of 20-30lakhs from input and output business at the end of 3years.
- Promote at least 3 (three) large size hatchery unit (10,000 chick's at a time)
- Strengthen producer groups at the ground level
- Support in connecting the broiler poultry producers and PGs with existing PGs & FPOs of TRLM in the project district
- Provide technical support in ensuring on time vaccination, insurance and other critical issues
- Develop business plan for all the PGs promoted under this value chain development work.
