As you may be aware, the Arun Jaitley National Institute of Financial Management (AJNIFM), an autonomous training institution under the Department of Expenditure, Ministry of Finance, Government of India, is striving to be a Center of Excellence specializing in capacity building of professionals in the fields of Public Policy, Public Finance, Public Procurement, Financial Markets, Financial Management and other related areas for promoting highest standards of professional competence and practice. AJNIFM was set up in 1993 as a registered society under Ministry of Finance, Government of India. To begin with it was mandated to train the officers recruited by the Union Public Service Commission (UPSC) through the Civil Services Examination and allocated to the various services responsible for managing senior and top management posts dealing with accounts and finance in the Government of India. In due course of time AJNIFM has become a premier resource center to meet the training needs of Central Government for senior and middle level management. AJNIFM also caters to the State Governments, Defence Services, Autonomous Bodies of Central Government and other Financial Institutions.

AJNIFM has been conducting a two-year programme on Financial Management leading to award of Post Graduate Diploma in Management (Financial Management) [PGDM (FM)]. AJNIFM entered into a MOU with Jawaharlal Nehru University (JNU), in March 2022 under which JNU has recognized AJNIFM as a Partner Institution. From the academic session 2022-24 onwards, the two year programme on Financial Management will lead to award of Master of Business Administration in Financial Management, MBA(FM) from JNU.

For Government officers (both State and Centre) including Defence Services the course fee for this programme is covered under the head Other Central Sector Expenditure of Ministry of Finance aimed at development of financial professionals. The sponsoring departments will therefore not have to bear the same (details in the prospectus). The participants would be required to bear only their personal expenses such as boarding charges, sports charges, and power consumption charges etc. The sponsoring departments
