

**SCHEMES AND PROJECT IMPLEMENTATION UNDER THE ANIMAL
RESOURCES DEVELOPMENT DEPARTMENT TRIPURA**

-: UNDER THE NATIONAL LIVESTOCK MISSION :-

1. Productivity Enhancement under NLM (Rural Backyard Poultry Development)

Project Objective:

- ❖ Augmentation of egg production through household rearing of LIT birds under scavenging system.
- ❖ To generate alternative source of income for the rural farmers especially women from BPL families.
- ❖ To assist unemployed youths for income generation.
- ❖ Production of additional meat to meet the nutritional demand.

Target Beneficiaries: BPL beneficiaries, preferably women.

Each beneficiary to be provided with (Unit Cost):

Serial No.	Item	Rate	Quantity	Amount
i.	LIT birds of 28 days including transportation	Rs.50/-	45	Rs.2250/-
ii.	Additional cost of birds and cost of night shelter, feeder, drinker etc.	Rs.1500/-	1	Rs.1500/-
TOTAL				Rs.3750/-

* This is 100 percent grant under GIA.

Implementation Modalities:

The fund will be placed to the concerned district level Dy. Director of ARDD or to the block level Asstt. Director of ARDD. Targeted nos. of beneficiaries will be selected by concerned PRI bodies. Once fund is placed, each of the beneficiaries will be imparted required training by ARDD in a group before providing 45 nos. LIT birds of 28 days from the concerned block level brooder house / other source. Poultry grower ration may be procured by the concerned beneficiary to provide in limited quantity to the birds initially, which will be tapered slowly over a period of 15 days to change the feeding habit and later on the birds will survive on scavenging. Necessary treatment / vaccination / deworming etc. will be carried out by ARDD through its field level institutions.
