---

**Deadline: 16.00 local time on  
Wednesday 12 June 2019**

**Country:** India

**Deadline:** Wednesday, 12 June, 2019

**Prequalification**

**Ref.:** International, open Tender for Consultancy Services for  
Programme Implementation

**Project Executing Agency:**

The PEA is the Tripura Forest Department, Republic of India.

**Project brief:**

The project "Climate Change Adaptation Programme in the Himalaya, Component II: Tripura" will address the impacts of climate change on livelihoods, ecosystem services and forest biodiversity in two Districts of Tripura state, India. Its overall objective is to promote the sustainable and participative management of forest landscapes to improve climate resilience.

The intended outcomes of the programme focus on:

- Development of landscape- and village-level plans
- Implementation of actions to improve the condition of forest and other natural resources
- Promoting community-based biodiversity conservation
- Support to enhanced incomes from natural resource management and use
- Support creation of a more enabling environment for improved forest sector governance in the State

**Requested consulting services:**

Qualified consulting agencies (alone or in cooperation) with proven regional expertise are invited to submit applications. The consultants shall provide the following national and international expertise:

1. Forest, natural resource management and biodiversity
2. Landscape restoration
3. Planning of Climate change adaptation measures
4. Value-chain development
5. Participatory community-based natural resource management, land-use planning, livelihoods development
6. Micro-finance
7. Capacity building for community, civil society and local government
8. Project management including financial management and procurement
9. Monitoring and evaluation
10. Data management
11. Remote sensing/GIS
12. ESMF

The selected consultants or consortia will have proven experience and a minimum average annual turnover of EUR 2,500,000 over the last three years.

The pre-qualification of experienced consultants is subject to the regulations contained in the KfW Guidelines for the Assignment of Consultants in Financial Cooperation with Developing Countries, <https://www.kfw-entwicklungsbank.de/International-financing/KfW-Development-Bank/Publications-Videos/Publication-series/General-publications-guidelines/>
