Terms of References for setting up of one unit of 1 (one) unit freeze dryer/ dehydrator production line including the packaging facility of dried fruits and vegetables to be run by women SHG federation / Producer Organization of SHGs under Tripura Rural Livelihood Mission (TRLM).

1. Background

Tripura is well-known for the natural flavor of its fruits and vegetables especially pineapple, jackfruits and vegetables grown organically. So, to reduce the post-harvest losses, increasing the price realization of the farmers and specially mahila kisans, to make the foot prints of food-processing products nationally and internationally, it has been decided to setup a freeze dryer/dehydrator unit with packaging facility near the farm gates. The focused products are pineapple, jackfruits and vegetables grown organically in North Tripura and Unakoti district of Tripura.

2. Scope of Work:

- Identification of best technology machineries.
- Setting up of one unit with proper packaging facility.
- Supply, installation and trial run within 3 months.
- Training of women workers to run the unit efficiently.
- Regular AMC support as and when required.
- Trial run and observation for 15 days.
- Market related information.
- Linkage for raw materials of packaging.

3. Duration of the Assignment

The entire unit to be setup within 2 (two) months including the trial run of the issuance of supply order. At least 3 years of AMC support to be ensured by the bidder, even after that the maintenance support to be provided by the bidding farm as and when required.

4. Project Support

TRLM will provide available necessary information, data, reports and other documents required for accomplishing the objective of the assignment. However, the professionals of the agency will have to visit field operations for collection of additional information. TRLM would provide necessary liaison with BMMUs and DMM Us to facilitate the work smoothly.

5. Key Eligibility, Evaluation & Selection Criteria

Eligibility Criteria: Firms which do not meet the following qualifying criteria will be rejected at the first stage:
