1. EXECUTIVE SUMMARY

Project Background

The State having less geographical areas and lies in North-Eastern region which is one of the most hazard prone regions in the Asian Sub-Continent, with different areas being prone to multiple hazards like earthquakes, floods, landslides, storms, etc. Tripura is located in highly seismic prone zone (Zone-V) and associated with floods, cyclones, other natural and human induced disasters. On the other hand destabilization of hill slope, non-regulated land use practices causes landslide affecting lives and property of people.

Vulnerability to natural disasters combined with socio-economic vulnerability of the people living in the State pose a great challenge to the government machinery and underscores the need for a comprehensive plan for disaster preparedness and mitigation. As per mandate of Disaster Management Act 2005, guidelines of NDMA, and also for scientific management of various disasters, TDMA has prepared the State Disaster Management Plan (SDMP) in the year 2016.

Moreover, according to Disaster Management Act 2005, the SDMP needs to be updated annually which demands urgent updation of the existing SDMP of Tripura.

The task ahead is:

To update the State Disaster Management Plan of Tripura as per the Terms Of Reference (TOR) in this Request For Proposal (RFP)

2. Terms Of Reference (TOR)

- a) Updation of the State Disaster Management Plan of Tripura should cover all natural and human induced disasters that the State is prone to.
- b) The updated SDMP would synergize with the framework of National Disaster Management Plan (NDMP), 2019
- c) Updated SDMP would also consider the National Guidelines on the preparation of State Disaster Management Plan and objective of the state government.
- d) The Organizations / Institutions/ DRR specialist will acquaint themselves with the statutory provisions as contained in the Disaster Management Act 2005; guidelines and executive instructions on the subject as issues by the Disaster Management Division, Ministry of Home Affairs, National Disaster Management Authority, Finance Commission, NITI Ayog, Govt of India as well as other such instructions issued from time to time by both the Central Government and State Government. They will also take into account any good practices / findings from Disaster Management Plans of other States / UTs as value addition to the existing SDMP of the Tripura.

e) The Organizations / Institutions / DRR specialist are expected to deliver the following outputs:

i) The Vulnerability of the different parts of the State to the different kinds of disasters and Risk involved thereof.

ii) Recommend mitigation and preventive measures for all identified probable hazards of the State including systems and mechanisms for ensuring comprehensive, holistic and prompt action at each phase in Disaster Management.

iii) The Capacity building and preparedness measures to be undertaken considering evolving risk profile of the State with development process.

iv) Review the roles of the Government Departments / Organizations, which have that have to be performed in a given disaster situation along with the effective structures for time bound coordination with one another

v) Roles and responsibilities of each department of the government of the State in relation to the preparedness, mitigation and preventive measures and also with regard to responding to any threatening disaster situation or disaster.

vi) The proposed updated SDMP therefore will cover all phases of a disaster and therefore will have three plans - Mitigation Plan, Preparedness Plan and Response & Recovery Plan.

vii) It will also have a separate part on disaster specific action plan as given in the NDMA guidelines viz. Floods, Earthquakes, Landslides, Lightning, etc. as well as state specific disasters declared by the State Government from time to time.

viii) Incorporate CBRN and pollution aspects in the SDMP with related training activities.

ix) The updated SDMP will also cover issues on mainstreaming DM concerns into the regular developmental activities of the different departments as well as aligned with cross cutting issues such as gender aspects, children, disables, high end technology, insurance and unpredictable global pandemics.

x) Explore the scope to integrate the updated SDMP with Sendai Framework for Disaster Risk Reduction 2015, Sustainable Development Goals (SDGs), Paris Agreement for Climate Change, Asian Ministerial Conference on Disaster Risk Reduction (AMCDRR), World Congress of Disaster Reduction and other regional and global commitments on DRR.

xi) The updated SDMP shall review & suggest the role & composition of the Crisis Management Groups (CMGs) at the State & District levels.

xii) Updated SDMP shall integrate the Crisis Management Plans being developed by the Home Department for various human induced disasters.

- xiii) The updated SDMP shall lay down the sequence of actions to be taken by all the relevant departments / agencies in emergency situations i.e. detailed Standard Operating Procedures for all line departments as well as state level specific actions will be laid down.
 - xiv) Identification of Trigger Mechanisms in each of the Departments / Organizations and time-lines for responses; actions to be taken within the first 24 hours, the first 48 hours and first 72 hours.
 - xv) Participatory community engagement across Mitigation Plan, Preparedness Plan and Response & Recovery Plan.
 - xvi) Updated SDMP should suggest a framework for future integration of Departmental Disaster Management Plans.
 - xvii) Workable Action Plan for implementation of SDMP with timeline
 - xviii) Review the static and dynamic dataset of the existing SDMP
- f) The agency has to submit the detailed methodology for updation of SDMP however, following activities are suggested and may be considered during preparation of the methodology:
- i) Review of the existing SDMP, NDMP, recommendations of Government of India, Resource Institutions, global/regional commitments, DM Plans of districts, departments and other agencies in the state.
 - ii) Devise formats/ questionnaires for collection of additional data/ information from the line departments, districts and other agencies.
 - iii) Consultation with the agencies at the state, district, department and agency levels.
 - iv) Development of draft plan and submission to the Director, RR&DM, Government of Tripura for review.
 - v) After necessary modification, sharing of the draft plan to all key stakeholders at the national, regional, state, district, department and agencies for their views within specific time period.
 - vi) Updation and validation with consultation and workshop.
 - vii) Final modification, approval and publication.
- g) It is the responsibility of the bidder that all factors have properly been investigated and considered while submitting the bid proposals and that no claim whatsoever including those for financial adjustment to the contract awarded under the bidding documents will be entertained by the Authority and that neither any change in the time schedule of the contract nor any financial adjustments arising thereof shall be permitted by the Purchaser on account of failure of the bidder to apprise themselves of local laws / conditions.

5. EVALUATION OF PROPOSAL

1) To meet the Authority's requirements, as spelt out in the bid, the selected bidder must have the requisite experience in providing services in the relevant fields specified for the entire period of the contract.

2) Evaluation criteria proposed to be adopted will be based on the Quality and superiority of the Technical Bid of the bidder. The evaluation would consist of following phases:

Phase I: Evaluation of Technical Bids

Phase II: Evaluation of Financial Bids

Phase III: Combined Evaluation of Technical & Financial Bid

Phase I: Evaluation of Technical Bids

Part 1: In this part, the technical bid will be reviewed for compliance of the bids with the necessary technical requirements and Scope of Work of this Tender.

Part 2: In this part, the technical bid will be analysed and evaluated based on specific experience of the bidder, competence of key personnel, adequacy of the proposed approach and methodology and understanding the requirements of the Authority and prior credentials of the bidder as per the following matrix:

Sl No	Bid Component	Weightage in Technical Score	Minimum Qualification Score
1	Understanding of the requirements of the Authority and proposed Approach & Methodology	40	20
2	Project Team and experience of personnel deployed	30	15
3	Prior experience in preparing a Disaster Management Plan	30	15

- In this part, the technical bid will be analyzed and evaluated and the technical bid marks (S_{tm}) shall be assigned to each bid on the basis of following above evaluation matrix.
- Each competency group will have Minimum Qualification Score and only those Technical Bids receiving marks greater than or equal to cut-off marks in each competency group will be eligible for consideration in financial bids. If required, the Authority may seek specific clarifications from any or all Bidder(s) at this stage. The Authority shall determine the Bidder that qualifies for the next phase after reviewing the clarifications provided by the Bidder(s).

- The bidder may be asked to make a presentation before the Technical Committee to explain the points on the basis of which Technical bids will be evaluated.
- Technical Bid Score: The Technical Bid Score ' S_t ' of the Bidder shall be derived as under:

$$S_t = (S_{tm}/S_H), \text{ where}$$

S_t is the Technical Bid Score

S_{tm} = Total technical bid marks of the bid under consideration

S_H = Highest total technical bid marks amongst all evaluated bids

- The Authority reserves the right to modify the evaluation process at any time during the RFP process, without assigning any reason, whatsoever, and without any requirement of intimating the Bidder of any such change. At any time during the process of evaluation the Authority may seek specific clarifications from any or all Bidder.

Phase II: Evaluation of Financial Bids

In this phase, the Financial Bids of the Bidder, who are technically qualified in Phase II, shall be opened.

Formula to determine the scores for the Financial Bids shall be as follows:

$$S_f = (F_L / F),$$

Where

S_f is the Financial Score

F_L is the value of lowest Commercial Bid

F is the price quoted in the bid under consideration

Phase III: Combined Evaluation of Technical & Financial Bid

- The Total score of the Bidder will be determined as under **Total Score (T_S) = (70 x S_t) + (30 x S_f)**
- The Bid of the Bidder, who obtains the highest T_S value, will be rated as the best Bid. In the event of a tie, the bid with the highest technical score (S_t) will be rated as the best bid. Beyond that, Authority will decide the matter in its full discretion.
- The Authority will award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as the best bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily. The Authority shall however not bind itself to accept the best bid or any bid and reserves the right to accept any bid, wholly or in part.

6) Right to Vary Scope of work at the time of Award:

The Authority may at any time, by a written order given to the bidder, make changes within the general scope of the Work. If any such change causes an increase or decrease in the cost of, or the time required for, the bidder's performance of any part of the work, whether changed or not changed by the order, an equitable adjustment shall be made in the agreed

Price or delivery schedule, or both, and the Work Order shall accordingly be amended. Any claims by the bidder for adjustment under this Clause must be asserted within thirty (30) days from the date of the bidder's receipt of the Authority's changed order.

7) Right to accept any Bid and to reject any or all Bids:

The Authority reserves the right to accept any bid, and to annul the Tender process and reject any or all bids at any time prior to award of work, without thereby incurring any liability to the affected bidder or bidder or any obligation to inform the affected bidder or bidder of the grounds for the Authority's action.

8) Notification of Award:

Prior to the expiration of the period of bid validity, the Authority may notify the successful Bidder by e-mail or in writing, by registered letter that its bid has been accepted.

9) Issuing the Work Order:

At the same time as the Authority notifies the successful Bidder that its bid has been accepted, the Authority will send the Work Order, incorporating its requirements including the conditions laid down in the RFP. Within 7 days of receipt of the Work Order, the successful Bidder shall sign and date the Work Order and return a copy to the Authority as a token of acceptance of the requirements laid down.

10) Performance Guarantee:

The successful agency will execute a Performance Guarantee for 10% of the total value of the contract in the form of Account Payee Demand Draft or a Bank Guarantee from a Nationalized Commercial Bank in an acceptable form to the authority. The Performance Guarantee should remain valid for a period of 60 days beyond the date of completion of the project.

11) Confidentiality of the Document and Intellectual Property Right (IPR) of the process and output:

This Tender is confidential and anything contained in this Tender shall not be disclosed in any manner, whatsoever. Secondly, any information, technology, techniques, process, data, documents, programmes or product or anything of similar type will be property of Tripura Disaster Management Authority. The agency shall not have any IPR, patent and copyright on the process and output.
